

## GFWC-NH Mini-Grants

Clubs can request up to \$250 in mini-grants per fiscal year. Mini-Grants will be available until funds are depleted from this account. Please check all of the items you are requesting for this grant application, not to exceed \$250.00 total. Clubs may reapply during the fiscal year as long as their grant requests do not exceed \$250 during the course of the year. Please specify quantity of each item as well as total dollars requested. Once a request is approved, the GFWC-NH State Treasurer will send a check to the club. Clubs are responsible for ordering the items. Some items are available from the GFWC.org Marketplace, or you may order items on your own.

Name of Club:

Club President:
