The Buzz!

Notes from our President! October 15, 2022

Hello GFWC Club Presidents and Members!

It looks like our first edition of "the BUZZ" was well received! The Membership enjoyed the quick and informative punch list that it offers! Thank you for the positive feedback.... And so, we will continue!

The GFWC Officers and Chairmen continue to travel to the District Meetings to share information with the clubs face to face! Merrimack South and Capitol North District meetings were a huge success this week and we are looking forward to the Seacoast District Meeting on 10/27.

The excitement is building for the GFWC NH FALL FIELD MEETING. This meeting is truly the Kick-Off of this administration's: **Theme – Project Ideas – Fund Raising Opportunities for Clubs – Speakers- Information Sharing and Relationship Building.** This meeting is designed to be beneficial for both the new member and the seasoned member alike! I look forward to sharing the excitement of our GFWC NH Administration and hope you will join us on Saturday, October 22, 2022. The deadline to register is "creeping up on us", so check with your club President or your In-box for the registration form! I can't wait to see you face to face....Email me if your club wants to join the Market at this Meeting , eroth@rothlawyers.com .

Thank you for all you do! *Beth*
