The Buzz!

Notes from our President!

Hello GFWC Club Presidents and Members!

We all know that effective communication is the key to a successful administration! That is why I will be sending you "The Buzz!" via mail chimp on the 1st and the 15th of each month. *The Buzz!* will be joining our more detailed Newsletter as a tool to keep you informed throughout the next two years. We will keep *The Buzz* (our GFWC NH version of "News and Notes") to a quick punch list of important events and reminders so that you can quickly review it in just a few minutes. We hope that you will find this to be helpful to keep you informed of upcoming events and also to use as a tool for planning your club's future activities.

I also hope to share the excitement of our GFWC NH Administration as we plan District and State meetings that are informative and fun. I am looking forward to visiting your clubs this year as I travel the state to engage with members one on one. I had a great time with the members of the GFWC Dover Area Women's Club on Saturday at Dover's Apple Harvest Day!

Thank you for all you do!

Beth
