CHAMPIONS FOR CHILDREN

GFWC Juniors' Special Program: Advocates for Children is designed to encourage all Woman's, Junior, Juniette, and International Affiliate Clubs to make a difference in the life of a child by being an advocate. The program was envisioned as a way for clubwomen to provide a voice for children and to teach and encourage parents and other caregivers to advocate for children at the grassroots level.

The definition of child advocacy is "support for children who are in a vulnerable position in society or in a vulnerable situation." We aim to honor our roots and be a voice for children.

Clubwomen can be an advocate by working to:

- Ensure that children are protected from harmful situations.
- Encourage healthy physical and emotional lifestyles.
- Impact policy to improve children's lives.

Children also depend on the advocacy of others, especially their parents and caregivers, to protect and promote their interests in an emergency or long-term health situation. First-rate children's healthcare should be available to everyone, and family voice and choice are essential in providing the best healthcare plan for each unique situation. Educate yourself and others about medical resources and organizations that will help you be the best advocate possible for children.

The Juniors' Special Program: Advocates for Children encourages advocacy and projects that will assist and protect children in crisis, including those experiencing:

- Child abuse
- Cyberbullying
- Depression and suicide
- Foster or residential care
- Homelessness
- Human trafficking
- Life-threatening illness
- Limits on screen time
- Cyber Predators
- Poverty
- Texting while driving
